Thieves Target Teachers for Extra Credit

Surveillance Videos and Photos of Suspects Released

Arlington County Crime Solvers is asking for the public's assistance to identify several suspects who stole credit cards from Arlington County teachers in their classrooms. In mid-June, just as classes were getting ready to let out for the summer, the thieves entered six Arlington elementary schools and rifled through the instructors' personal belongings. They removed wallets, purses and credit cards and then used the cards to make fraudulent purchases at multiple supermarkets and pharmacies.

Surveillance video and photos released today show three of the four female suspects entering and inside stores where they used the stolen credit cards. One of suspects had a soft cast on her right foot.

Anyone who recognizes the suspects, or has information about this case, is asked to call Arlington County Crime Solvers at 866-411-TIPS (8477). Crime Solvers offers a reward of up to \$1,000 for information leading to an arrest. Callers to Crime Solvers do not have to give their names and do not need to testify in court.
